EXTRADITED FROM THE US AFTERALONG LEGAL BATTLE

India's 16-yr wait ends; 26/11 plotter Rana flown to Delhi

MAHENDER SINGH MANRAL New Delhi, April 10

MORE THAN 16 years after the 26/11 Mumbai terror attacks, Tahawwur Rana, one of the key conspirators, was finally extradited to India from the US to face trial. An aircraft carrying Rana, an associate of Lashkar-e-Taiba scout David Coleman Headley, landed at Delhi's Indira Gandhi International (IGI) Airport under heavy security this evening. A Pakistani-Canadian businessman who once served as a doctor in the Pakistan Army, Rana is accused of providing crucial logistical support to the terrorists. He was arrested in Chicago in October 2009, 11 months after the Mumbai attacks.

After Rana was flown to Delhi, the NIA said it "successfully secured the extradition of Tahawwur Hussain Rana, the mastermind of the deadly 26/11 Mumbai terror attacks, after years of sustained and

concerted efforts to bring the key conspirator behind the 2008 mayhem to justice"."Rana was being held in judicial custody in the US pursuant to proceedings initiated under the India-US Extradition Treaty for his extradition. The extradition

finally came through after Rana exhausted all legal avenues to stay the move."

"The District Court for the Central District of California had ordered his extradition on May 16, 2023. Rana then filed multiple litigations in the

Ninth Circuit Court of Appeals, all of which were rejected. He subsequently filed a petition for a writ of certiorari, two habeas petitions, and an emergency application before the US Supreme Court, which were also denied. The extradition proceedings were initiated between the two countries after India eventually secured a surrender warrant for the wanted terrorist from the US government," the NIA said.

"With the assistance of USDoJ, the US Sky Marshal, NIA worked closely with other Indian intelligence agencies, NSG through the entire extradition process, which also saw MEA and ministry of home affairs coordinating with the other relevant authorities in the US to take the matter to its successful conclusion," it said.

"Rana is accused of conspiring with David Coleman Headley @ Daood Gilani, and operatives of designated terrorist organisations Lashkar-eTaiba (LeT) and Harkat-ul-Jihadi Islami (HUJI) along with other Pakistan-based co-conspirators, to carry out the devastating terror attacks in Mumbai in 2008. A total of 166 persons were killed and over 238 injured in the attacks. Both LeT and HUJI have been declared as terrorist organisations by the Government of India under the Unlawful Activities (Prevention) Act, 1967," the NIA said.

"Rana was accompanied by a team of three senior NIA officers headed by an IG-rank officer and officials from intelligence agencies. The team had reached the US on Sunday to obtain custody of Rana. They secured his custody Wednesday evening and departed for Delhi," a source said. Upon arrival, Rana was taken for questioning by the Bureau of İmmigration, it is learned.
